### Community Inclusion – Compass Program

Randy has a passion for all sports; his favorite teams are New York Yankees (also his favorite shirt), Calgary Flames and the Green Bay Packers. He also has a love for wrestling; Hulk Hogan is his all-time favorite wrestler. He cannot get enough of watching old matches on you-tube. Randy likes to keep busy throughout the day by going for short walks, out for ice cream, sitting in the sun at the beach, going for drives and cooking his lunch. His favorite lunch is eggs and pancakes which he makes himself. Randy is also a support to the Administration Office as he will deliver mail and internal job postings to other PAACL program sites; a quick visit with others is always enjoyable!
