

Port Alberni Association for Community Living **PAACL NEWS**

GENEROUS DONATIONS & THOUGHTFUL SUPPORT TO PAACL PROGRAMS

Happy to be able to spread some Christmas Cheer for Pathways Clubhouse!

Pathway's Manager, Krista Nelson, receiving a \$1,200.00 Donation by BiBi J's!

Pathways Clubhouse offers adults with intellectual disabilities an opportunity to learn personal safety skills, self-advocacy, create personal networks and build friendships. COVID has made that very difficult, but staff has been fabulous, accommodating & facilitating small group sessions so friends can meet friends

A big "Thank you" to TD Canada Trust for their generous donation to our CYSN program!

Program Manager, Julie Wakefield, accepts a cheque for \$1,000.00 to go towards project initiatives of the CYSN Program through the CYSN Program

The Program provides Family Support to Children and Youth with Support Needs and their families. Focus is on family support and transitions as they go through school to adult services.

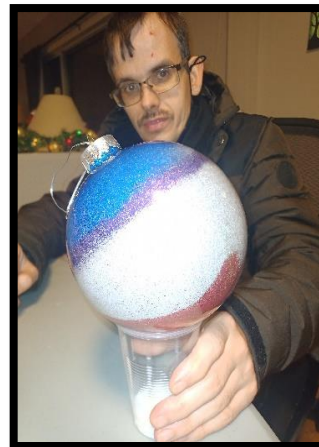

The "Trees of Hope Challenge" was on display at the Coulson's Ice Blast building on Third Avenue (Old Woodward's) and it looked amazing!!!

Several non-profits decorated windows along the historical corridor and transformed the Third Avenue area the Christmas atmosphere of yesteryear.

PAACL was the winner of the previous, "Windows of Hope" challenges and used the Money to put together over two hundred Christmas goodie bags for the persons served by PAACL.

Colin and Tyler are very pleased to show off their beautiful Christmas ornaments they made at their Community Access Program

Happy New Year Everyone!
