## PAACL NEWS

### Congratulations Brad – 15 years working at the “Paramount Movie Theatre”

Hi, my name is Brad. I have been working at the Landmark Cinemas for 15 years now. The Community Employment Program assisted me in obtaining this position and trained me on the job. There have been many changes through the years. It has been a great job for me. I work one or two days a week 2 hours a day cleaning.

I have been creating the PAACL News once a month for over 20 years now. This article first started in the A.V. Times Newspaper and now in the Alberni Valley News. I would like to say thank you to Publisher Teresa Bird for all your help and support over the years. Through the PAACL News, we are able to share with the community many of the fun and exciting activities and accomplishments of the Persons Served as well as sharing the current happenings at PAACL. The torch of PAACL News is now passed to our new Administrative Assistant Chelsea who I am sure will enjoy this as much as I did.  
Sincerely MG Walker
