Celebrating over 65 years of community inclusion!

PAACL is very excited to introduce our new logo shown above!

Community Access

Our Access program is back up and running after a two-year hiatus. The Community Access Leisure Program provides adults who have a developmental disability the opportunity to gain the necessary skills to participate in a healthy community environment.

The focus of the Community Access Leisure Program is to assist individuals to expand and enjoy avenues for recreation and social involvement in their community, to promote independence and integrate leisure opportunities while supporting individuals to develop their social skills to their fullest extent.

Areas of Support:

- Recreational activities
- Community awareness
- Encouraging peer networks
- Promote Self-advocacy
- Crafts and baking
- Cultural Events
- Social skills
- Safety skills
- Environmental awareness
- Group dynamics
- Mentorship

From all of us to all of you,
Merry Christmas & HAPPY holidays
