PAACL NEWS

A huge salute to PAACL'S Frontline Staff that continue to provide quality support to the individuals they serve! The Provincial Government deemed PAACL's Residential, Community & Family Support an essential service providing frontline support to those with intellectual or developmental disabilities. PAACL's dedicated frontline staff have worked tirelessly in continuing their support to these individuals while adapting to extensive safety measures and very creative ways to maintain contact and connection to this valued population...Thank-you all for your commendable efforts!!!

Sumeet has been employed at Mini Price for one year; working 3-4 days per week assisting customers with all this business has to offer ...of course, ensuring physical-distancing & sanitizing.

← The CYSN program has been hard at work building raised garden beds that will eventually be used to teach and model vegetable growing and sustainability.

The "WE-COOK" program continues to find ways to support individuals with home-cooked meals while they're social-distancing and staying home.
