

Port Alberni Association for Community Living PAACL NEWS

October is “Community Inclusion” Month!

The City of Port Alberni has proclaimed October as, “Community Inclusion Month”. Being a part of community means so much more than just living in it. People with intellectual disabilities, their families and the people who support them are advocating for full inclusion in all areas of life. "Community Inclusion Month" not only welcomes all members of community to celebrate and bring awareness to the strengths and achievements of people with intellectual disabilities, but it also challenges us to think of community as more than just a place where we live.

PAACL would like to graciously acknowledge the support of our community that embraces our philosophy of inclusion for all and that “Everybody Belongs!”

The adage that it takes a community couldn’t be truer to form as individuals, service providers, health care professionals, businesses, employers, sport/recreation/leisure facilities and staff et el make this an awesome, inclusive community to be a part and proud of...THANK-YOU!!!
