### ***An extremely rewarding career choice!***

"Having a career in Community Services is enriching to your heart! You observe and support people to flourish in their strengths and abilities. You grow as a person in interacting with people on a daily basis including all of life, both challenges and celebrations."

### ***You get to be the difference in their lives.***

"I love working in a supported individual's home because of the time you get to spend with the person. You get to be the difference in their lives and support them in living life each day to the fullest on their terms."

### ***I am in a job where I feel both valued and appreciated, and that means everything.***

"Being able to support people to be the best version of themselves is both an honour and a privilege. Each day comes with new adventures and I have the daily privilege of helping others gain the skills to live their best life."
